

Rocco & Vinnie discuss GOP Debate

ROCCO

Like that Ron Paul dude. Rejected the pet war of the vicious incompetents. Plus, only one not willing to wipe his ass on The Constitution.

VINNIE

That's stretching it. Those others are individual Republicans up there.

ROCCO

They'd screw a snake.

VINNIE

Even so. Well, what do you see most lacking in Republican party?

ROCCO

Autopsy.

(Search blog for many Rocco pieces from South Philadelphia. A Democrat, he tends to be outspoken.)
